Refreshers

In order to qualify for a refresher course as opposed to the initial qualification, you must have a current valid ADR licence which has no less than five weeks until expiry and no more than one year until expiry. N.B. refresher courses will only be valid for classes already on your ADR licence.

Initial Qualification

The initial qualification is for candidates who do not hold a current ADR licence or who's ADR licence expires in less than five week's time.

Travel

Travel charges apply to any training which takes part outside of the PL and EX postcode areas (excluding pre-planned courses). The charge is a one-off charge relating to the total travel required and not related to the number of candidates attending the course.
