Joining Instructions

Thank you for choosing Backline Logistics for your training requirements. Please read the below information carefully as it contains important information regarding your course.

Please ensure that all delegates receive a copy of these joining instructions.

Start Time, Date(s) & Location of Training

Unless otherwise agreed in advance between Backline and the delegate(s) or customer who has made the booking on the delegate(s) behalf, **training will commence at 08:30 daily.**

We request that delegates arrive 15 minutes prior to the start of training in order to register with the instructor and avoid any delays.

Delegates who arrive more than 15 minutes **after** the published start time of the training will be refused entry other than in exceptional circumstances and at the trainer's discretion.

For details of where your training is to be held, and the dates that you have booked, please refer to the tickets that you received when making your booking. If you have not received these, please check your email spam folder.

Unless otherwise specified, all training will be held at a venue operated by Backline Logistics. A list of Backline venues can be found below.

Refreshments & Meals

Other than for training booked at a site not operated by Backline, refreshments (tea, coffee, water and biscuits) will be provided throughout the day free of charge. Course fees do not include a meal unless otherwise specified.

Dress Code

There is no dress code for any of our courses. However, for Materials Handling Equipment training, or where the site requires it, all necessary PPE should be worn. Where possible, delegates will be given advance notice if the site requires PPE to be worn.

Special Requirements

Delegates should advise of any special requirements (e.g. dyslexia) at the time of booking or at the earliest possible opportunity. Any appropriate provisions can then be made. Information provided by or on behalf of the delegate will be treated in the strictest of confidence.

Proof of Identity

For most courses, proof of identity and/or driving licence number is required. As such, delegates should bring a driving licence photocard, driver qualification card or digital tachograph with them for each day they are attending a course.

Suitability of Training

Whilst we will take steps to ensure the suitability of training for the delegates, it is the responsibility of the delegate/customer to ensure that the type of training booked is appropriate and applicable to the delegate(s) in attendance. Where training is not suitable, the delegate(s) may be turned away. In this instance a refund may not be issued.

Terms & Conditions

Terms & Conditions apply to all bookings, a copy of which is available on our website (<https://backlinelogistics.co.uk/training/>) or can be provided upon request.

Data Protection

The company is registered under the data protection act with the Information Commissioner. By attending the course, **the delegate consents, where applicable, to the company passing the delegate's details to the competent authority** for the purposes of registering the training provided.

Data provided by the candidate will be kept on record for the period required by the competent authority.

Drivers' Hours & Working Time

Delegates should be aware that where they have been given instruction from their employer to attend training, this should be recorded as working time and, where applicable, a manual entry should be made to reflect this.

Where delegates are attending of their own volition, there is not a requirement to record it as working time.

The manner in which the course is funded does not affect whether or not the training should be recorded as working time. I.e. an employer funding training does not automatically mean that it should be recorded as working time.
