MULTI-USER HIGH TOUCH SURFACES AND EQUIPMENT

Some surfaces and equipment in the office are deemed to be “high Touch” items which means they are handled frequently throughout the day by a number of people these include.....

KETTLES AND PRINTERS

MICROWAVE AND WORKTOPS

FRIDGE AND DOOR HANDLES

TOILET FLUSH AND TAPS

LIGHT SWITCHES AND CUPBOARD DOORS

Please wash your hands before and after touching or using
“HIGH TOUCH” items.

Frequently wash throughout the day

The “HIGH TOUCH” items should be cleaned at least every
two hours and at the start and end of every shift

Be responsible for you and your colleague’s health

GOOD HYGIENE SAVES LIVES
